Reason and Purpose

We want to impress upon you the truthfulness of the above headlines and the fact that this is a real genuine, bona fide sale for a good reason and purpose. For 22 years we have been recognized as Salem's leading house furnishers and, as you know. we have not been in the habit of holding special sales every few weeks or months and would not be sacrificing our immense stock such as we are, at the present time, if it were not absolutely necessary to reduce our stocks at least one half in the shortest time possible. It would be utterly impossible to describe each and every article, but we have proven to the buying public that, no matter what you want, you will find it here for less money than you ever bought it for before and in many instances, much less than it would cost at wholesale today. Come to this store now---examine any and every article---ask questions. If you see what you want buy it. Learn whether we have told you the truth--see with your own eyes that facts and figures are before youand whether you buy or not, you will regret visiting this sale and you will be glad that you came.
